NEW PLYMOUTH

We are contacting all NZFF Clubs in regards of the 31<sup>st</sup> New Zealand Friendship Force Conference to be held here in New Plymouth, Wednesday 10<sup>th</sup> to Friday 12<sup>th</sup> February 2016.

New Plymouth is a beautiful City with so many different things to do. We welcome all of you to come and enjoy the Conference and perhaps stay a few days before or after. Only a one hour direct drive around our majestic "Mt Egmont" with lots of great things to stop off and see. You will also notice the changing views of Mt Egmont as you complete the drive.

Accom: There are plenty of B&B's, Motels, Hotels and camping grounds in New Plymouth.  
Home Hosting: We are still working on this.

Registration We are also working on. Later in the year we will have this put onto the official FF New Zealand web site [www.friendshipforce.org.nz](http://www.friendshipforce.org.nz) We will advise when this is on it. Good reading on this site too.

Theme: Black and White Gold, with obvious reference to the Petrochemical and Agriculture industries, in our Taranaki Region.

Field Reps: Someone will be in contact as we want to promote this Conference at your "Area days" eg: Area Three – Nuts and Bolts.

Our Conference Committee are progressing well and look forward to seeing you all next year. Any enquiries, please contact one of us.
